

Water Ski Lake Hood Inc

Hi everyone...

The season's kicked off in a hurry now with warm days and lots of keen skiers ..

We've plenty of action at the Tournament site, with ski schools the next two weeks, a December tourney, and preparation for our big Oz-Kiwi event in January. The docks have been water blasted, thanks Bruce, and you'll notice a new line of bouys on the course soon, as the new Splash eye jump system is installed.

Open Day got the thumbs up from Tom, who landed his first flip in 2 years :) Courtney was also celebrating after running her first ever slalom course... Kristen and Caendal got a head start on ski school with some tips from Rach, while Sam 's injured shoulder wasn't holding him back. And Pete's boat got a workout, thanks.

An awesome day... calm and hot !! All day :) ... Patience and diversion needed ... with so many skiers, and a long wait till your turn :)

Club Open Day ... 23rd Nov
